Thanks we will meet 9 am – 11:30 am then.

Once you sign in I can take to the East conference room on the 10th Floor.
When you have a draft agenda please let me know and I can send it to others.
Also Lam (TCEQ) said he will join by phone. Will you be bringing hard copies or will you have something electronic? We can either send it to Lam ahead of time or I can set up Adobe Connect and we can share your screen with him. We can project the same screen in the room as well. Let us know what will work and I can make arrangements accordingly.

Eric

Adam, Dipanjana, Ken, and I are available on May 1st for the meeting. I was thinking that it would be a 2 - 2:30 hr meeting. We can either have it from 9 – 11:30 or from 1 pm – 3:30 pm. Please let me know what would work for you. If you think we need more time we can start in the morning and break for lunch and continue on in the afternoon (I have a conference call 11:30 – 1 pm). Please let me know what works and I will book a conference room accordingly. Thanks.
